

RICHARD A. DORMIER, P.E.

POSITION

Vice President Freeman-Millican, Inc.
Senior Project Manager – Municipal Projects

AREAS OF EXPERTISE

- City Engineer providing review of development plans, plats, and zoning issues;
- Preparation of impact fee and planning studies;
- Design and construction of water distribution and wastewater collection systems;
- Design and permitting of municipal solid waste landfills;
- Water distribution system design and analysis;
- Geotechnical engineering; and
- Hydrology and Hydrogeological evaluations.

EXPERIENCE

Mr. Dormier has many years of successful experience in the engineering profession, providing services for clients in both the public and private sectors. Since joining FMI, he has served as City Engineer for the cities of Forney and Heath, concentrating on municipal engineering and planning projects. He continues to serve both in that capacity. He has also provided engineering services for Terrell, Bridgeport, Sherman, Waxahachie, Ennis, and North Texas Municipal Water District.
